BWS STAINLESS STEEL CHECKWEIGHER

t-scale

TECHNICAL DATA

◆ External resolution… 1/3,000 EC version
◆ Display……….…….…52mm LCD
◆ Keyboard…….…….…7 keys mechanical switch
◆ Operating temp………0℃～+40℃
◆ ADC……………………sigma delta
◆ ADC update….…….……≤1/10 second
◆ Power………………….AC adapter (9V/800mA)
   Rechargeable battery（6V/4Ah）
   Mains 240v or 110v

FEATURES

◆Stainless steel waterproof design
◆Easy to use - front panel configuration
◆52mm LCD, LED backlight
◆application software includes: check weighing, parts counting、accumulation、 animal weighing, keyboard lock
◆Battery provides up to 90hours of continuous use.
◆Low power indicator and Auto power off

SPECIFICATIONS

Display	52mm LCD with LED backlight
Housing	Stainless steel
IP Rating	Housing IP67 Load cell encapsulated IP67
Pan size	From 300 x 300mm to 700 x 500mm
Capacity	From 6kg to 300kg
Power Options:	AC adapter 9V/800mA with rechargeable battery, 6V/4Ah (EC approvable version) Mains powered 240v (110v option), with rechargeable battery 6v/4Ah (non trade version)
Keypad	7 keys
