

# Handrail Scale

H251-00-2 (Class III)

**Healthweigh®** Electronic Handrail Scales were designed for the bariatric practice. Its unique design and enhanced robust structure assures safety and comfort for large people. The side rails gives support to unsteady patients and movement compensation technology eliminates involuntary movement. Assembly is effortless; a pop-up patented hinge-joint sets the back rail upright in seconds and the side rails slot-in. Two heavy-duty wheels make it easy to easily move the scale.
